

The Muskellunge Lake Resort App

Your Northwoods home on Muskellunge Lake · In the family since 1959

A guided tour · follow along

What we'll look at

A few minutes, in plain English. Here's the tour:

- **Home & the five tabs** — how you get around
- **Family Fest** — the big week: schedule, RSVP, dinners, dues
- **Staying connected** — photos, finding & paying people, asking for help
- **How to get it on your phone** — at the very end, together

You don't have to do anything yet — just follow along.

One home base for the whole family

The problem: plans live in texts, group chats, emails, and a dozen Google forms. Things get lost. New people don't know where to look.

The fix: one place — schedule, who's coming, photos, who to pay, how to reach anyone, and everything Family Fest, all in your pocket.

Two jobs: (1) the resort, year-round — fishing, cabins, local spots. (2) Family Fest — the one week the whole clan shows up.

It's a web app — no app store, works on any phone, tablet, or computer, and you can add it to your home screen like a real app.

You don't need an account to look

Good news: you can open and browse the whole app without signing in.

So just watch for now — no need to grab your phone yet.

At the very end I'll show you how to add it to your phone and sign in — and we'll do it together.

■ FIND IT

The bar across the bottom of every screen

Everything lives behind these five buttons at the bottom — that's the whole app.

- **Home** — what's happening now + shortcuts to everything
- **Feed** — family photos & posts, and committee chat
- **Family Fest** — the full week — schedule, RSVP, dues, shirts
- **Activity** — your notifications — comments, mentions, alerts
- **Profile** — your name, settings, sign-in, text size

■ GOOD TO KNOW

“People, Events, Pay, Local Places live on the Home screen — I'll show those too.”

■ FIND IT

Home tab (the cabin logo at the bottom-left)

Home always shows what matters right now — you'll usually start here.

- **The logo up top** — tap it anytime to come back home
- **Family Fest spotlight** — a live countdown to July 27 right now
- **What's happening cards** — swipe-away call-outs like the t-shirt vote
- **Next event + RSVP** — the closest gathering, one tap to say you're in
- **Tiles** — Get involved, Ask for Help, People, cabins, local places

■ GOOD TO KNOW

“We're ~4 weeks out, so it's in 'planning' mode — during Fest week it flips to a day-by-day view.”

■ FIND IT

Family Fest tab > Schedule

This is the heart of it — Family Fest is July 27 to 31, the whole clan at the lake.

- **July 27–31, 2026** — “Ye Olde Family Feste” theme this year
- **Signature nights** — Mon bonfire, Wed musky tournament, Thu talent show, Fri fireworks
- **Dinners each night** — chefs: Jessica, Natalie & Karen, Lauren, Rob & Joe
- **All-week fun** — scavenger hunt, lake day, golf outing, games up top
- **Sub-nav up top** — Schedule · Dinners · Crew · Photos · Pay · Shirts

■ GOOD TO KNOW

“\$100 per adult for the week; kids' price still being set.”

NEXT > RSVP — let people know you're coming

■ FIND IT

Events (or the event spotlight on Home) > tap a card

Tap any event and tell us if you're coming — it's like Facebook events.

- **Three taps** — Going, Maybe, or Can't make — that's it
- **See who's coming** — the whole list of who RSVP'd
- **Family Fest is per-day** — pick the exact days you'll be there
- **Other events too** — e.g. Up North for the 4th, July 3–5

■ GOOD TO KNOW

“Change your answer anytime — just tap a different button.”

STEP 8

The Feed — photos & updates

Step 8 of 16

■ FIND IT

Feed tab

This is our family wall — post a photo, everyone sees it, like and comment.

- **Post anything** — “First musky of the season,” sunset off the dock
- **Like & comment** — tag people with @name
- **Private to family** — not public, not strangers — just us
- **Real examples** — Grandpa's musky, Aunt Linda's countdown post

■ **GOOD TO KNOW**

“Anything inappropriate gets held for review automatically — it's a family-safe space.”

NEXT > *People — find & reach anyone*

STEP 9

People — find & reach anyone

Step 9 of 16

■ FIND IT

Home > People

The whole family directory — text, call, or pay anyone in two taps.

- **Searchable list** — everyone with an account, by name
- **Quick buttons** — Text · Call · Pay right on each person
- **Tap through** — their full profile + how they prefer to be paid
- **Email a group** — send a note to a whole set of people at once

■ GOOD TO KNOW

“Full contact info only shows once you're signed in — guests see first names only.”

NEXT > Committees & private chat

■ FIND IT

Home > Get involved > a committee

Family Fest is run by volunteers — five teams, and each has its own group chat.

- **Meals** — lead: Lauren Zerfas
- **Entertainment & Games** — lead: Keith Thibodeau
- **Art & Decorating** — lead: Jenny Snively
- **Merch & Fundraising / Logistics** — leads: Rick Gorge / Cathy Hofer
- **Private chat per team** — real-time, only your committee sees it

■ GOOD TO KNOW

“Want to help? Join a committee right here and you're in the chat.”

■ FIND IT

Home > Ask for Help

At the lake and need a hand? Post it, and people nearby get a ping.

- **Post a need** — moving tables, a ride, supplies, an extra set of hands
- **Helpers respond** — one tap: “On my way”
- **What to bring** — list items; helpers claim what they'll grab
- **Urgent option** — alerts everyone, for real emergencies

■ GOOD TO KNOW

“It's in beta right now — we're testing it during Fest week.”

■ FIND IT

Family Fest tab > Pay

Dues are \$100 an adult — pay right from here with Venmo or Zelle.

- **See who & how** — Cathy Hofer collects; Venmo preferred, Zelle works too
- **One tap opens** — your Venmo/Zelle app with the handle ready
- **Nothing stored** — the app never holds your card or bank info
- **\$100 / adult** — kids' pricing being finalized

■ GOOD TO KNOW

“The app just hands you off to Venmo — your money stays in your own apps.”

■ FIND IT

Activity tab (bell) · Profile > Notifications

The bell tab is everything that happened involving you — and you control what pings your phone.

- **Activity feed** — comments, @mentions, reactions, approvals, alerts
- **Red badge** — shows when something's new
- **Push to your phone** — turn on alerts you care about, mute the rest
- **Admin announcements** — important notices reach everyone

■ GOOD TO KNOW

“You pick exactly what notifies you — you won't get spammed.”

STEP 14 How to get it + sign in

Step 14 of 16

■ FIND IT

Profile > add name & email · then Add to Home Screen

Okay — now let's all get it. It takes about a minute and there's no password.

- **Open the link** — go to mlr-app-omega.vercel.app — or scan the code (next slide)
- **Add to Home Screen** — makes it a tap-to-open icon like a real app
- **Enter name + email** — we email you a 6-digit code — no password ever
- **Type the code back** — that's it — you stay signed in on your phone

■ GOOD TO KNOW

“Didn't get the code? Check spam, or tap Resend. There's a Help page too.”

NEXT > *Scan to open the app*

Scan to open the app

Point your phone camera at the code — it opens right up

mlr-app-omega.vercel.app

■ FIND IT

Profile > Text size · Help page

It's just us — family only — and we made it easy for every age to use.

- **Family only** — not public; sensitive info hidden until you sign in
- **Bigger text** — Profile > Text size: Normal / Large / Largest
- **Help page** — plain-language how-tos for anyone stuck
- **A real person** — text or call me (Brian) anytime — it's on the Help page

■ GOOD TO KNOW

“No strangers, no ads, no selling anything. It's our family's app.”

Three things to do right now

1. **Add it to your home screen** — so it's one tap away.
2. **Sign in with your email** — name + the 6-digit code, no password.
3. **RSVP to Family Fest** — tell us which days, July 27–31.

“Do those three today and you're all set. Post a photo this week so we know it's working — and I'm right here if anyone gets stuck.”

Get it at mlr-app-omega.vercel.app

Quick facts · for live Q&A
